**Remote control function and explanation**
- Do not swift forward/backward button when car is driving, or will damage the motor.
- Remote control can be used normally when battery assembled.
- Remote control should be used under adults’ supervision.
- Remote control is prior to man control.

**Remote control battery operation**
- Take off the battery cover. Put two AAA1.5V remote control battery in with right polarity.
- New and used batteries can not be used mixed.
- Do not insert batteries into wrong polarity, or will be short-circuited.
- Non-rechargeable batteries can not be recharged. Exhausted batteries should be replaced by adults.
- The exhausted battery must be handled and operated properly by adults only. Do not be played by children.
